Type it into your browser — or scan the code with your phone camera

- 1 VISIT THE SALE SITE**
Go to auction.thegroveonline.com.au on your phone, tablet or computer, any time from now.
- 2 HAVE A LOOK AROUND**
Choose “View the sale” to browse every lot — pedigrees, EBVs, photos and videos — and watch the bidding live. No account needed just to look.
- 3 REGISTER TO BID**
Press Register and enter your name, email or mobile, and a password. It takes under a minute — please register before sale day so you're ready to go.
- 4 WE APPROVE YOU**
Every new bidder is personally approved by us before bidding — we may give you a quick call to confirm your details. You'll be right to bid well before the sale opens.
- 5 START BIDDING**
Open a lot and place your bid — bids rise in \$500 steps. Short on time? Set a Max Bid and the platform bids for you up to your limit. If you're outbid, you'll be alerted by text straight away.

GOOD TO KNOW

- No payment is taken through the website — successful bidders are contacted after the sale to arrange settlement and delivery, just like always.
- Scan data and photos are added to the catalogue as scanning is completed in the lead-up to the sale.
- Buying through an agent? They're welcome — have them call us for agent access to the platform.

NEED A HAND? We're happy to walk you through it over the phone.
